

ABOUT HORN HOLDERS

Using the Horn

- In the case of mounting the Horn on the lower holder, place it with "UPPER" mark up to prevent damage to the slot.
- In the case of mounting the Horn on the upper holder, place it with "UPPER" mark down to prevent damage to the slot.
- For easier insertion of the Gun Holder, adjust the slot-expanding bolt before inserting.
- Insert the tapered part of your water hose joint into the Horn, and tap it in with a hammer to secure it.
- After mounting the Gun Holder, make sure to loosen the slot-expanding bolt before tightening the two holder-tightening bolts.

Example of use Use on the lower holder
